Well, Mr Mouse was a mouse that loved cookies and ice cream!

But one day, he found something that he loved even more...

“Oh, what a special day it is today!”
Mr Mouse said as he got up from bed.

After a while, Mr Mouse asked, “Mr Lion, why do you give out these cookies?”

“You see, I am not a very happy lion. I tend to get sad very easily.”

“But giving these cookies out, and making everyone happier, makes me very happy too!”

Mr Mouse liked that idea.

“Let’s make everyone happier!”

Mr Lion smiled,
“Together,
with kindness!”
